

SAILORSBREEZE CORFU BASE INFORMATION

Gouvia marina - Information

Dear valued partner , thank you for your choice in our yachts and services .

Inside this document , we have prepared all the general information you are going to need to show to your customer for his/her embarkation in one of our yachts . There is a map of Corfu island that shows the exact location of Gouvia marina in relation to port and the airport but also its layout where our boats located .

The marina from the airport of Corfu is only 8 km .

The marina from the port of Corfu is only 4 km .

We can arrange a taxi or a minibus to reach our base at an extra charge.

With our sincere regards ,

On behalf of
The SAILORSBREEZE Team ,
Potis Theofilakos

Instructions how to get to Corfu

By air

The quickest way of reaching Corfu is by air. These days a number of domestic flights from Athens and Thessalonica take place on a daily basis all year round, with Olympic Airways and Aegean Airlines or Skyexpress. The duration of the flight from either city is about 40 minutes.

International flights are scheduled throughout the year while during the summer period (April - October), there are many charter flights connecting Corfu directly with several European cities.

By ship

When it comes to getting here by sea, there are a number of alternatives. There are daily ferryboats connecting Corfu with Igoumenitsa, with timetables which change according to season.

Large ferries depart from Patras to Italy (Bari, Brindisi, Ancona, Venice) and vice versa, usually with a stop at Corfu.

By car

Driving from abroad to Corfu by car one reaches the Italian ports, from where it is necessary to continue by ferry.

From Athens, the distance is approximately 550 km - 5 hours drive to Igoumenitsa, from where you must take the ferry to Corfu. The ferry to Corfu does between 1.15 hrs and 2.00 hrs depending on the company and the vessel .

The major local companies are 2 . Please check their websites , below :
